

NTG – Retail Price List 2020

Email: sales@mgbits.com

Website: www.mgbits.com

Our basic reference numbers have been sub-divided into several entries. Selecting the item you require should be quite straightforward but should you have any difficulty, we can easily identify the part if you contact us stating your model.

Price Maintenance. We endeavour to absorb price increases, but as we are often unaware of new prices until fresh stocks arrive, it is sometimes necessary to pass on some increases and we reserve the right to charge rates ruling on the date of despatch.

Prices are pound sterling (GBP) and exclude VAT - applicable to UK and EC customers.
